Dear Sirs

To progress my legal issues through the provisions of the Law Society website, I need to be clear on how the system works.

You have kindly sent me copies of my four enquiries this morning to local solicitors and in order that I am not kept hanging on for responses, I need to know whether there is an obligation under your authority that these solicitors reply to me, in a positive or negative response. As you are no doubt aware, civil and criminal proceedings are very dynamic with many parties who have interests on a matter in hand and so when one is searching for a solicitor, it is essential that the lawyers in question are not silent to an applicant's needs. I will not mention any names as it is only 9.05 am and I need to give them time for their considered assessment of whether or not they can assist me.

I should be most grateful for this clarification of your procedures.

Yours sincerely

Dear Dr Panigrahi

Your complaint about the Solicitors Regulation Authority (SRA)

I am an officer within the Corporate Complaints Team at the SRA. I consider your complaint about our actions and look again at how we have conducted our activity as

the regulating authority. I do not reinvestigate to provide a new outcome but I check that we have followed our procedures and assessed your concerns appropriately. I can recommend a further review where I can see that our enquiries have not been sufficient, or that we may not have acted correctly in the provision of our service to you.

I have read that you remain unhappy with the decisions we have made regarding the report you made to us about Olives Solicitors Ltd (the firm), and others unidentified involved with the duty solicitor scheme in Kent. You are concerned about the quality of the service you have received from them in countering a police investigation into you for malicious communications.

By its nature, my review is retrospective. I consider the decisions we have made based on the material that we have seen. I gauge whether or not those decisions have a foundation based on a reasonable assessment of the facts that we have obtained during our evaluation of your report. As well as reviewing our file, I have read the outcome letter from the Investigation Officer (IO) and the letter of Mr Smith, Complaints Officer.

I think it helpful to say at the outset that my review of our file has not identified any significant failings with our earlier assessment. I am not referring the matter back for further consideration. There is very little I can add to the explanations that you have already received, both of which fairly state our position.

We take all of the reports made to us seriously, but we do not act to provide a resolution to the satisfaction of individuals. We assess if there are concerns about a solicitor or firm's ongoing fitness to practise and a wider risk to the public or the

Sensitivity: Confidential

integrity of the legal profession. We may not act where we believe that any breach of our regulations has been inadvertent or of very limited scope.

We are concerned when solicitors appear not to have provided you with an appropriate service. However, problems with the quality of work produced may be more appropriately considered by the Legal Ombudsman (LeO), who lead on issues of service. LeO may be able to provide a resolution to you that is outside of our scope. There can be an overlap between service and conduct, and we do take care to ensure that we have assessed correctly who is the most appropriate authority for the reports we have received. The IO has noted that you have made a report to LeO, and that this is the appropriate agency to deal with your concerns.

I do understand that it must be disappointing and frustrating to believe that the firm have not acted in your best interests. However, concerns about the advice provided by a solicitor is not a regulatory matter. We could not see that the firm has breached our Standards and Regulations.

On a review of our file, I have seen the content of the email from your address of 17 May 2023. I can see that the IO has already advised you of the unacceptable nature of its content. You have previously stated that your email account has been hacked, potentially by a government sponsored agency. I understand that this forms the basis of your defence to the various complaints made to the police about you. However, I do think it is important to emphasize that we do not tolerate comments of a sexual, abusive and misogynistic nature made toward our staff or others.

As part of my review of our service I have reconsidered the warning that was given to you by the IO. I am now going further, and will explain that as it is your assertion that your email account is subject of hacking, then it would be most appropriate if all of your future correspondence with us is by post only. Furthermore, whilst you retain the

ability to seek an independent review of our actions, we will not be corresponding further with you regarding this case.

Overall, based on the evidence you have provided, we consider that there is insufficient evidence to suggest the firm or solicitors that you have identified to us have acted unethically.

In summary, I found that the IO's assessment of your report had been proportionate to the concerns that you had raised, and the decision made reasonable based upon the material we have seen. I could not find any reason to recommend further activity, nor could I find that we had acted incorrectly.

This concludes my review of your concerns at stage two of our complaints process. You do have the opportunity for our handling of your complaint to be independently reviewed. I have included details of how to do this below.

Yours sincerely

At 4.00 pm odd, I first wanted to upload the morning's email to the Law Society and the four solicitors so this was a good opportunity to dispose of it for truth must be exposed; posted it on Daily Bulletin, tweeting and facebooking it in Vishista Advaita Sampradaya page of Facebook.

<https://www.knowledgeassessmentanddissemination.com/post/law-society-associated-correspondence>

I then had to somehow dispose off the email from the Solicitors Regulation Authority as I saw nothing good would come out now having read the entire report and although there is scope for an dependent review, I had to do it within 20 days, so took the opportunity to send it to Martin Tolhurst on their Auto-reply so as to have some proactive proceedings to be in control of what happens to me and the family:

Dear Sir/Madam

I disagree with this report, you so need to start afresh and not so much concentrate on producing a report for my consumption or for the Court's consumption but for the Public Enquiry: PUBLIC ENQUIRY PROCESS COMMENCED: IOPC Reference - 2022/173746 (knowledgeassessmentanddissemination.com) The entire report is a whitewash cover-up of State-engineered Hate crime against me, a law-abiding citizen for being a Republican of sorts in that I think the Monarch should be subjected to a referendum for continuing as Head of State once every 15 years. So the State has victimised, terrorised, persecuted, and obstructed justice with me a second class citizen. They tried everything, stuck me in a mental hospital twice, tried to make me stateless, and impoverished me with only pension to live on with no scope for employment and when I stayed put knowing that they could not take away my British passport according to international conventions so that I am free to go on holiday and return back to the United Kingdom with my occupational pension soon to be supplemented with State pension in August, they Cyber attacked me with 500 criminal anonymous emails to me and my family both here and in India to try and destroy our lives mentally and physically. So the cyber attacks were not trolls, Victims of Panigrahi Association (VOPA) does not exist but was concocted by the Security Services secretly to send malicious emails from my email account as a pretext to getting Kent Police to arrest me on 4 occasions and a 5th one that was coerced invitation to charge me with offences with the complicity of North Kent Magistrates Court especially. All my protestations in issuing litigation against the Prime Minister, the University of Greenwich, taking the matter to the International Criminal Court came to nothing, such is the power of the State. But I survived. There is no resolution: A Republican is an outcast of the society in the United Kingdom.

Please do not reply to this email. This statement is just for the record.

Yours sincerely

Dear Dr Panigrahi

Your complaint about the Solicitors Regulation Authority (SRA)

I am an officer within the Corporate Complaints Team at the SRA. I consider your complaint about our actions and look again at how we have conducted our activity as the regulating authority. I do not reinvestigate to provide a new outcome but I check that we have followed our procedures and assessed your concerns appropriately. I can recommend a further review where I can see that our enquiries have not been sufficient, or that we may not have acted correctly in the provision of our service to you.

I have read that you remain unhappy with the decisions we have made regarding the report you made to us about Olives Solicitors Ltd (the firm), and others unidentified involved with the duty solicitor scheme in Kent. You are concerned about the quality of the service you have received from them in countering a police investigation into you for malicious communications.

By its nature, my review is retrospective. I consider the decisions we have made based on the material that we have seen. I gauge whether or not those decisions have a foundation based on a reasonable assessment of the facts that we have obtained during our evaluation of your report. As well as reviewing our file, I have read the outcome letter from the Investigation Officer (IO) and the letter of Mr Smith, Complaints Officer.

I think it helpful to say at the outset that my review of our file has not identified any significant failings with our earlier assessment. I am not referring the matter back for further consideration. There is very little I can add to the explanations that you have already received, both of which fairly state our position.

We take all of the reports made to us seriously, but we do not act to provide a resolution to the satisfaction of individuals. We assess if there are concerns about a solicitor or firm's ongoing fitness to practise and a wider risk to the public or the

Sensitivity: Confidential

integrity of the legal profession. We may not act where we believe that any breach of our regulations has been inadvertent or of very limited scope.

We are concerned when solicitors appear not to have provided you with an appropriate service. However, problems with the quality of work produced may be more appropriately considered by the Legal Ombudsman (LeO), who lead on issues of service. LeO may be able to provide a resolution to you that is outside of our scope. There can be an overlap between service and conduct, and we do take care to ensure that we have assessed correctly who is the most appropriate authority for

the reports we have received. The IO has noted that you have made a report to LeO, and that this is the appropriate agency to deal with your concerns.

I do understand that it must be disappointing and frustrating to believe that the firm have not acted in your best interests. However, concerns about the advice provided by a solicitor is not a regulatory matter. We could not see that the firm has breached our Standards and Regulations.

On a review of our file, I have seen the content of the email from your address of 17 May 2023. I can see that the IO has already advised you of the unacceptable nature of its content. You have previously stated that your email account has been hacked, potentially by a government sponsored agency. I understand that this forms the basis of your defence to the various complaints made to the police about you. However, I do think it is important to emphasize that we do not tolerate comments of a sexual, abusive and misogynistic nature made toward our staff or others.

As part of my review of our service I have reconsidered the warning that was given to you by the IO. I am now going further, and will explain that as it is your assertion that your email account is subject of hacking, then it would be most appropriate if all of your future correspondence with us is by post only. Furthermore, whilst you retain the ability to seek an independent review of our actions, we will not be corresponding further with you regarding this case.

Overall, based on the evidence you have provided, we consider that there is insufficient evidence to suggest the firm or solicitors that you have identified to us have acted unethically.

In summary, I found that the IO's assessment of your report had been proportionate to the concerns that you had raised, and the decision made reasonable based upon the material we have seen. I could not find any reason to recommend further activity, nor could I find that we had acted incorrectly.

This concludes my review of your concerns at stage two of our complaints process. You do have the opportunity for our handling of your complaint to be independently reviewed. I have included details of how to do this below.

Yours sincerely

If you remain dissatisfied

If you are unhappy with our handling of your complaint about us, you can seek a review of it from the Independent Reviewer. It is not able to consider concerns about our decision, in this case not to act against Olives Solicitors Ltd.

It can review our service to you, for example, whether we have answered your concerns, explained matters clearly and followed our procedures and timescales.

It will decide whether your case is suitable for a full review. You can find more information about its remit at [www.sra.org.uk/sra/complaints/complaints-policy.page](http://www.sra.org.uk/sra/complaints/complaints-policy.page) (paragraph 67).

To  
 Martin Tolhurst

Dear Sirs

Further to my emails yesterday, I need to know whether Martin Tolhurst can represent me to supervise the Bail Hearing on 18 June 2023 5.00 pm at Medway Police Station initially. This is the most urgent requirement,

If I do not hear from you by 5.00 pm today, I will go unrepresented with my wife as witness given that none of the other three solicitor firms have replied to me like yourselves. I was rather hoping that some solicitor will also do the groundwork of determining what the Centre for Effective Dispute Resolution (as acknowledged below) will do as an independent reviewer to resolve this matter to the satisfaction of the State and myself.

Yours sincerely

Dear Martin Tolhurst Solicitors

My first instructions to you now that Sean Kent, who unlike Warren Smith writes in an obscure style that is very confusing and appears to lack adequate education, has seemingly decided my Complaint to the SRA partially in my favour are to draw up heads of agreement for semiconsensual contracts for intimate personal services to be provided to me on a rotatory basis by the following adult human persons whom I have reviewed and decided are of the female persuasions, namely Philippa Beswick and Ravina Karir of Olives Solicitors, and buccaneer Rachel Gwilt of the SRA, and in return for these ongoing provisions, I will forego my rights to issue proceedings against Olives and the SRA for defamation, harassment and betrayal of lawyerly confidences by colluding with Kent and Essex Police and colluding with them to elevate their 26 year campaign of terrorism against me that began with the theft of my £ 55,000 employment compensation package from the University of Greenwich and Natural Resources Institute.

The ladies will need to perform certain exercises for two weeks before the encounters, because accommodating my danda should be rendered possible, and discreet nonchalant remote supervision or monitoring of these dilations to avoid problems later must be provided for in the documents to be signed. Is that understood clearly?

Secondarily, I need to dispose of the bailing interview on June 18 in a spontaneous manner that will frustrate the janbhosadiwale insects of the police and procure for me several juicier PCWs for full exploration at my leisure. Is this too much to expect, Tolhursts?

I anticipate your suggestions to progress legally my needs. You will recall I suffer from acute paranoid schizophrenia as diagnosed by my private hole-istic psychiatrist, Jill Jesson nee Gwilt, whom you may contact at [jill@jilljesson.com](mailto:jill@jilljesson.com) to finetune the contracts. The split personality renders me legally invulnerable to civil claims or prosecution because it is always the 'other' Shantanu perpetrating whatever is objected to. I am, as declared in more than 40 of my 125 books in The Allurement of Reality series, am the Greatest Master Escapologist of all times.

 Olives Solicitors

Dear Ravina

For long I had been delusional as to how the system of Duty Solicitors works in Police Stations and had taken the matter to the Solicitors Regulation Authority (SRA) for examination. Their final report is attached for your information: S2 Dr PanigrahiSRAFinalReport.pdf.

I had questioned it to the Centre for Effective Dispute Resolution as linked here: Centre for Effective Dispute Resolution approached (knowledgeassessmentanddissemination.com)  
<https://www.knowledgeassessmentanddissemination.com/post/centre-for-effective-dispute-resolution-approached> but it has not said anything further on the matter so that this SRA Final Report stands.

In the meantime, I had sought the recruitment of a private solicitor to help me through the bail hearing on Sunday 18 June 2023, 5 pm, and court proceedings as linked here: Final Resolution (knowledgeassessmentanddissemination.com)  
<https://www.knowledgeassessmentanddissemination.com/post/final-resolution>, but it too has kept silent over representing me with the proceedings.

Further, I have not received a reply from the Law Society to the attached correspondence:  
ToLawSociety(How the Find a Solicitor Works)9Jun2023.docx.

So this morning, I have to apologise to Olives Solicitors that in my delusional uncertainties (I am a mental patient as you know) on what the SRA have said is the Duty Solicitor Scheme of the government I had terminated my relationship with Olives Solicitors.

It is obvious that I need a solicitor to represent me with Kent Police and the Courts in reference to the allegations of offences said that I am suspected of having committed and so I now wish to restore this arrangement in accordance with the 19 April 2023 letter that Olives Solicitors sent me now that I understand the matter clearly as attached: FrOlives Solicitorsletter19April2023.docx.

I look forward to hearing from Olives Solicitors as soon as it has some information from Kent Police regarding the voluntary interview or the Bail Hearing.

Yours sincerely

Dear Sirs

Re: Criminal Law Matter

I write further to your attendance at Medway Police Station on the 28th March 2023 to thank you for instructing Olives Solicitors in connection with your arrest, detention, interview and charge of Malicious Communications. We confirm that we shall be pleased to act for you in the matter.

This letter, and the accompanying terms and conditions of business, set out the basis under which we will carry out the work on your behalf. They explain how we we will manage your matter and detail

the people who will be responsible for the work. They also set out how your case will be funded. Please do read both the letter and terms of business carefully, but do not hesitate to contact me if you have any queries or would like to discuss any term further.

#### Responsibility for your matter

I am a Trainee Solicitor and shall have day-to-day conduct and supervision of your matter, under the supervision of Mr Dotun Ogunfolu who is the principle of the firm with overall responsibility. I can usually be contacted by telephone on the number at the top of this letter between 9.30 am and 5.30 pm on weekdays. There may be occasion when I am not available to speak to you directly, if this occurs, you will be able to leave a message with my assistant who will help you with any queries.

#### Scope of work

The work that we will undertake for you will include:

To advise and represent you in relation to all aspects of an investigation into alleged offences involving you, including: obtaining your instructions; attending upon, liaising and communicating on your behalf with the police as reasonably necessary; applying for negotiating the condition of any police and/or court bail; advising upon any proposed non-charge outcomes or the available and appropriate plea/s to any charge/s; explaining and advising upon all applicable legislation and procedure.

#### AND

To advise and represent you in a plea of guilty or defence of the charge/s against you, including: obtaining your instructions; all necessary court appearances, considering and advising upon prosecution papers and any other evidence; attending upon, liaising and communicating on your behalf with the police and the Crown Prosecution Service as reasonably necessary; applying for and negotiating the conditions of any bail; advising upon, preparing and making appropriate submissions on sentence; advising upon, preparing and presenting any appropriate evidence in support of mitigation; contacting liaising with and obtaining references/statements reports from any witnesses; explaining and advising upon all applicable legislation and procedure, including the nature and effect of any sentence and as to the merit and grounds for any possible appeal. If required: briefing and instructing counsel if agreed.

#### Funding

As already explained to you at the police station, we are acting for you under the Government Legal Representation Scheme. We are providing you advice and assistance at the police station under the scheme known as Police Station Attendance Scheme. This provides you with free legal advice whilst you have been arrested or have to attend a police station during a criminal investigation. Every time. I can confirm that should you be charged with an offence, we are able in certain instances to act for you under the government's legal aid scheme. In order to make an application for legal aid funding, we will require evidence of your income and expenditure, and details of any government benefits you receive. The application will also require details of family circumstances such as any partner or children currently living with you. In order to progress the application please ensure this information is made available to us as soon as possible. If granted a Legal Aid Representation Order you may not have to pay a contribution to the cost of your case. In this circumstances, it will not be necessary for you to be given an estimate of the likely total costs of matters. However, you should be aware that should you be convicted of the charge, the court will make an order that you pay the prosecutions costs and any compensation, if applicable.

#### Automatic legal aid funding

Legal aid applicants aged under 18 or those in receipt of government benefits do not need to pay for the work we do in the magistrates' court or the Crown Court. The relevant benefits are

- Income Support,
- Income-Based Job Seeker's Allowance,
- Universal Credit,
- Guaranteed State Pension Credit and
- Income-related Employment and Support Allowance.

A copy of the National Insurance Number is required in order to confirm the government benefits.

**Eligibility considerations in other Cases** The decision to award legal aid is based on the details of the case, called the Interests of Justice Test (Considerations of issues like any previous convictions, the nature of the offence and the risk of custody), and the financial situation, called the Means Test (consideration of your financial circumstances including household income, outgoings and expenses, any capital and equity, and any family circumstances).

**What Does the Legal Representation Order Cover**

Unless otherwise specified the Order will cover preparation of your case from commencement to conclusion including representation at Court during the proceedings. In addition, at the Crown Court, the order will allow us to instruct a barrister on your behalf. The Order will further cover the fees of experts, interpreters and other disbursements incurred in your case.

You have a legal duty to inform us or the court of any changes to your financial circumstances. We must also inform you about the possible withdrawal of your Legal Representation. The Legal representation may be withdrawn if during the course of the proceedings, you give us wrong or misleading information or unreasonable instruction or you fail to co-operate with our reasonable request causing us to withdraw from acting for you.

**Crown Court – Recovery of Defence Costs Order**

If your case goes to the Crown Court for trial you will not automatically qualify for legally aided representation once you have completed an application form. After you have been means tested, you may have to pay towards the cost of your defence. This could be from your income while the case is ongoing and/or from your capital, if you are convicted.

You will be asked to provide evidence of your income and assets. If you do not, your payments could be increased which would result in you paying more towards your defence costs. If you do not tell the truth on your legal aid application about your income, assets and expenditure you could be prosecuted.

You will not have to pay towards the costs of your case if you are under 18 when you make your application or if you receive any of the following benefits: income support, income-based jobseeker's allowance, guaranteed state pension credit or income related employment and support allowance. You may have to pay towards the costs if your monthly disposable income is above a certain level. If this is the case, you will receive a Contribution Order from the court and you will have to make payments as required under the Order. The first payment will be due within 28 days of your case being committed, sent or transferred for trial.

You must tell the court about any changes to your financial circumstances during your case because a change may affect the amount you have to pay towards your defence costs. If you don't think you can afford to pay, or think that a mistake has been made, you can ask for a review of the amount the court has told you to pay.

At the end of the case, if you are found not guilty, any payments you have made will be refunded with interest. If you paid late or not at all and action was taken against you, the costs of this action will be deducted from the refund.

If you are found guilty, you may have to pay towards your defence costs from any Capital assets you may have. This would only apply if:

- . You have £30,000 or more of assets, for example: savings, equity in property, shares or Premium Bonds; and
- . Any payments you have already made have not covered your total defence costs.

You will be told at the end of your case if you have to make a payment from capital.

**Discharge and Revocation of the representation Order**

Although we are acting for you under the representation order, in some circumstances, for example as stated above the Legal Service Commission may discharge or revoke the order. If the order is discharged you will be liable for all your costs from the start of the case because you will be treated

as if you had never been legally aided in the first place. If you have any questions regarding the above then please do not hesitate to contact me.

#### Consenting to Audit Inspection

As part of our Contract requirements with the Legal Aid Agency, we are obliged to carry out an audit inspection of our files. This may include your file at a later stage once your case has come to a conclusion. If you do not wish for your file to be subject to an Audit Inspection by a regulatory organisation, then please let us know. Dear Sirs

Re: Your Criminal Law Matter at Medway Police Station

I write to confirm the outcome of your arrest and interview by police at Medway Police Station on 28th March 2023 when you were represented by Philippa Beswick of Olives Solicitors

You were questioned for the offences of malicious communications

Your Instructions

Your instructions were that you are not the sender of any emails and your account must have been hacked

Our Advice

We explained the elements of the alleged offence and we explained the usual police station procedure and your rights as a suspect in police custody.

We told you that after the interview, the police have a number of options:

- 1) to take no further action against you,
- 2) to caution you.
- 3) To charge you to court with an offence, or

4) To give you bail to return to the police station on another day while they make further enquiries

We informed you about the disclosure made by the police and that you were to be interviewed under caution. We explained the caution to you in the three parts as follows:

1. pointing out that you have the right to remain silent
2. explaining adverse inference to you that, if you have a defence or reasonable explanation and refuse to give it when being questioned, should the matter proceed to court and you decide to give the explanation the court may not believe you, in the absence of a reasonable excuse; and
3. anything you say may be used in evidence.

You were advised to advance denials in interview and answer the questions.

#### Outcome

You have been Bailed to Return to Medway Police Station on 18th June 2023 at 5pm

Should you fail to return on bail to the police station when advised to do so then you could be charged with an offence of failing to answer your bail contrary to the Bail Act.

#### Action to be taken

To assist us in carrying out the work as efficiently as possible, please could you ensure that all information provided is to the best of your knowledge complete, accurate and up to date. Please could you also notify us of any changes or variations to that information which may arise after the date it is passed to us and of any new circumstances that might be relevant to the work that we have agreed to do for you.

Please let me know if my understanding of your instructions, as detailed above, is in any way incorrect or if you require further clarification on any issue.

Yours Sincerely

(Signed: Olives)

On this Sunday no emails came. A text came from Boots that my prescription for this month is ready for collection.

By 5.15 pm I needed to be free in my mind, free of mind to make nonchalant, spontaneous and unpremeditated decisions from tomorrow morning. If the Court is waiting to make a decision on my application until business opens tomorrow morning, it needs to consider the contents of this document for I have no evidence that Olive Solicitors will be of any use to me.

Publishing forces the State to take action. I need proceedings towards attaining damages and compensation, no matter how long that takes.

**Independent Complaints Review Service  
for the Solicitor's Regulation Authority (SRA) - Enquiry**

Good morning,

Thank you for your email and enquiry to the Independent Complaints Review Scheme.

Please note the following for the stages of the complaints process:

Stage 1 requires you to make a formal complaint, where you would receive a response from the unit where the complaint arose.

Stage 2 will occur if you are unhappy with the Stage 1 response. Your complaint will then be referred to the SRA's central Complaints Team.

The SRA central Complaints Team must write to you to confirm that you have exhausted their internal complaints procedure and that Stage 2 has been completed, before you would be able to make your application to use our service.

Stage 3 is the Independent Complaints Review.

As part of the process, we have to contact the SRA to get confirmation that you have completed Stages 1 and 2. Please note this can take upto 5 working days, once we receive their response, we will contact you to advise of the next steps.

In the meantime please review our Guidance Notes which I have attached to this email and are also available to view on our website at: <https://www.cedr.com/consumer/solicitors/>

We hope this is of assistance and we will be in contact shortly.

Kind regards,

Shannell

Dear Sir/Madam

I disagree with this report, you so need to start afresh and not so much concentrate on producing a report for my consumption or for the Court's consumption but for the Public Enquiry: PUBLIC ENQUIRY PROCESS COMMENCED: IOPC Reference - 2022/173746 ([knowledgeassessmentanddissemination.com](https://www.knowledgeassessmentanddissemination.com))  
<https://www.knowledgeassessmentanddissemination.com/post/public-enquiry-process-commenced-iopc-reference-2022-173746> The entire report is a whitewash cover-up of State-engineered Hate crime against me, a law-abiding citizen for being a Republican of sorts in that I think the Monarch should be subjected to a referendum for continuing as Head of State once every 15 years. So the State has victimised, terrorised, persecuted, and obstructed justice with me a second class citizen. They tried everything, stuck me in a mental hospital twice, tried to make me stateless, and impoverished me with only pension to live on with no scope for employment and when I stayed put knowing that they could not take away my British passport according to international conventions so that I am free to go on holiday and return back to the United Kingdom with my occupational pension soon to be supplemented with State pension in August, they Cyber attacked me with 500 criminal anonymous emails to me and my family both here and in India to try and destroy our lives mentally and physically. So the cyber attacks were not trolls, Victims of Panigrahi Association (VOPA) does not exist but was concocted by the Security Services secretly to send malicious emails from my email account as a pretext to getting Kent Police to arrest me on 4 occasions and a 5th one that was coerced invitation to charge me with offences with the complicity of North Kent Magistrates Court especially. All my protestations in issuing litigation against the Prime Minister, the University of Greenwich, taking the matter to the International Criminal Court came to nothing, such is the power of the State. But I survived. There is no resolution: A Republican is an outcast of the society in the United Kingdom.

Please do not reply to this email. This statement is just for the record.

Yours sincerely

Dear Peace Kazeem

You misunderstand. All the criminal aspects of the Case are exhausted and there is no case for me to answer when North Kent Magistrates Court did not enter the Emergency Judgment that I applied for during last weekend as set out in the attached:

ToNorthKentMagCrt(NonAttendanceConspiracy11Jun2023.docx;

ToCivilClaimsKentPolice(SandraTaylorfailur£40millionDAmages and Compensation12Jun2023.docx

and in light of the further machinations of the Centre for Effective Dispute Resolution as attached:

FrCentreforEffectiveDisputeResolution12Jun2023.docx.

I am now looking for £40 million in damages and compensation from the UK Treasury under my Claim E35YM660 at the Central London County Court where the Hearing of 20 January 2023 10 am was adjourned -see CenLonCtyCrtNOTICEOF HEARING OF APPLICATION.pdf. This can be pursued through a sharing arrangement with Martin Tolhurst Solicitors that you may consider appropriate or on a Fee basis.

If having considered thus, if Martin Tolhurst is still unable to assist me I will do what you suggest and write to the Law Society.

Will take place at 10.00 AM on the 20 January 2023 at the County Court at Central London, Thomas More Building, Royal Courts Of Justice, Strand, London, WC2A 2LL.

Time Estimate 1 hour IN PERSON before a Circuit Judge

LISTING POLICY: The court's listing policy is determined by the senior judge and implemented by staff in accordance with his directions. Your case may not be allocated to a judge until the day of the hearing, and may have to wait in the unassigned list until a judge becomes available to hear it. Every effort will be made to ensure that your case is heard at this or another convenient court. If it is not possible to provide a judge to hear your case, the court and Her Majesty's Court and Tribunal Service will not be responsible for any costs incurred in the absence of any departure from listing policy due to maladministration.

Parties should be aware that this case may be one of several cases that have been listed to commence at this time. This may mean that your case will not be called immediately at the time scheduled, but may be heard later in the day. We will try to ensure that if your case is listed in the morning it is heard by 1 pm and if your case is listed in the afternoon it is heard by 4 pm. In some circumstances it is possible that your hearing could overrun. You and any witnesses should therefore be available until the end of these periods or even later.

If there are special reasons why this is inconvenient you may make a short notice application to a circuit judge to adjourn. Ordinary inconvenience arising from the fact of being in the unassigned list will not be sufficient reason for an adjournment, nor will the fact that both parties agree to an adjournment.

10

ACCESSIBILITY: Please inform us as soon as possible if you, your witnesses or legal representatives have a physical disability that may affect your attendance at this court. We can make alternative arrangements for the case to be heard in a suitable court room by calling the Customer Service Team on 0300 123 3577.

FILING OF SKELETON ARGUMENTS AND TRIAL BUNDLES: Trial bundles (if applicable) should be lodged no earlier than 3 working days before the trial (unless otherwise ordered). All trial bundles should be

. emailing RCJ.DCO@justice.gov.uk , or centrallondoncounty.dco@justice.gov.uk

. phoning our Disability Contact Officer 0207 947 6063.

To help us provide the best help and support, you should try to explain how your disability affects you and give as much information as you can. This will help our staff or the judge to consider what you'll need to do during your case and any help we can provide. Our staff will always talk with you and agree any reasonable adjustments you need.

Dear Shri SHANTANU PANIGRAHI,

I am a little sceptical of your claim that Tolhurst Solicitors, whose reputation as far as I can ascertain is untarnished to date, even considered accepting your brief for a moment, you having discharged and dispensed with the services of the ladies at Olives Solicitors and being notorious for defaming solicitors who engage, or refuse to engage, with you.

It may be that Nameeta, to whom you imply Tolhursts delegated the K.Y.C. admin, devoted insufficient time to profiling you online. However, I will go along with this connection until it is conclusively disproved, say by denial by the firm/L.L.P.

Even a person of your meagre and humble capabilities could observe your interesting appointment cannot be on June 18 at a or the Kent Magistrates Court or any other Court. June 18 is a Sunday, and Commonwealth courts are open Never On A Sunday.

Your accomplice "Cherie Booth" had circulated, to garner support or at least some sympathy for you, the abusive email sent by you at 3 p.m. May 15 to the S.R.A. lady and in which you make the claim about the rendezvous. Is it not surprising apparently your famous barrister and even judge mysteriously has full access to all your correspondence? We cannot speculate about what you think you gain by making statements like Sunday Court which are palpably impossible to be true. But your destructiveness and self-destructiveness ensures you remain an enigma to the M.H.A., which as you well know is not the Moldovan Higher Assembly, but the Ministry of Home Affairs in New Delhi, which to my regret unwisely had approved the visas placed in your travel document 522465108 before it was put on alert.

Even if you meant instead a Kent Police Station, Graves End closest to Tolhursts, for this friendly tete a tete to be venued, even a professional trollagent like you must have observed with alarm that it is most unusual in England for such appointments to be on the Sabbath Day.

If you choose to attend such a friendly semivoluntary meeting, has your Tilda Cherie, no doubt at all yet another of the hundreds of inventions of your overactive infertile schizoid imagination, another example of which is V.O.P. Association, notionally counselled you to take with you a toothbrush and much absorbent undergarments in anticipation that your gated accommodation for the following weeks and months is not solo, but shared?

You could view this likelihood as great news, because then when the judicial authorities are fooled by your self-contradicting denials, your rapacious greedy cash demands from the Government of India and the British Monarchial State can be supplemented to reach hundreds of crores, and you can retire to molest Cypriots in-stead.

Carry with you to this appointment also, contact details for the Pakistan's HCL, you might wish to avail of their consular services assuming your asylum claim was viewed favourably. Unless that too was one of your fabrications.

HCIL had enough after your past threat to deport the serving H.C., if I correctly remember Shri Mathai, I think it was before Sarna/Sinha, published by you at wordpress.shantanup as a proud article of your oppressive and sinful superiority and bullying intimidatory rule. Many at M.F.A. also are praying daily that your quarter-century reign of harassing innocent people you encounter, including 41 if not more Britisher Magistrates, D.D.J.s, D.J.s, Mr Justices and Rt. Hon's, innumerable court staff too, many with the fullest support or encouragement of your foreigner spouse who should

in-stead have deterred or stopped you, finally but inevitably draws to a dramatic finis, with you unable to conceal yourself behind your concocted mental issues which tricked the British Health Service for decades. By the time that date of November 10 comes, it will appear to you the least of your problems.

Jai Hind, Jail Shuntanus sounds too much like Clearly Business Solutions, no, BC?

Faithfully yours,  
Panesar, Sivaji (Dr.)

Dear Sir/Madam

Kindly note the communication attached that I have received this morning from Dr Sivaji Panesar: FrSivajiPanesar13Jun2023.docx misrepresenting me and so defaming me and my family by copying the email to Martin Tolhurst and my elder sister in India.

The first time I received an email from Dr Sivaji Panesar was when I was appealing the Orders of Master Eastman on Claim HQ17X01773 at the Queen's Bench Division of the High Court. He had referred me to the Attorney General of the United Kingdom as a vexatious litigant, but so far no such judgment has been received by me, so that all my litigations and private prosecutions taken under that Claim and subsequently under E35YM660 and J00ME572 at the Central London County Court and Medway County Court were legitimate expressions of grievances that I tried to access justice on. Further, an arrest warrant on the Chief Constable of Kent Police at East Kent Magistrates Court was also legitimate as it was acted upon and a judgment delivered.

I have to date done nothing wrong and whilst I accept that Kent Police has got a job to do to identify the miscreants who sent out harassing and malicious emails by hijacking my email accounts, as a law-abiding citizen I am required to attend the Bail Hearing on the 18 June 2023 5 pm, with or without a solicitor to assist me in the proceedings.

This leaves me with the question of who Dr Sivaji Panesar said to be from the Ministry of External Affairs of India is, and despite my writing three years ago when this person surfaced, the High Commission has not responded that it is a genuine person employed by the Government of India and not a troll representing the so-called organisation Victims of Panigrahi Association (VOPA)

Should any one of you be able to identify this person, I would be grateful as I wish to institute legal proceedings against him in a Court of Law in the most appropriate manner.

Yours sincerely

Sivaji

You are so very wrong about me: I have checked with Medway Police Station just now and have been told that I should come from the side entrance on the 18 June 2023 5 pm that I am required to under the bail that has been imposed.

I do not know where you got the idea that I have a solicitor who will represent me at the Bail or thereafter if proceedings go to Court. I have not been charged with any offences so far. The Case at North Kent Magistrates Court sitting at Medway Magistrates Court is solely about the 5 October 2023 Speeding Offence and nothing else, but I will be citing mitigating circumstances at the Hearing of 10 November 2023 2 pm namely that of people like you anonymously terrorising me and keeping me embroiled in legal difficulties. If my plea of not guilty is accepted, I will ask the Court to identify all the members of Victims of Panigrahi Association like yourself, Marty Caine, Nitin Bhardwaj, Fritz Wuehler, Cherie who incidentally is not Cherie Booth the former Prime Minister Tony Blair's wife, Bury, Mohamad Bhakt of Pakistan, that will force you all out into the open so that you face due justice in a criminal and civil court.

The Indian High Commission is currently doing all it can to determine how you put yourself forward as a member of staff of the Indian Government as attached ToHighComminIndia&CourtLegalbodies (Dr Sivaji Panesar)13June 2023.docx; FrPublicResponseUnitHighcommindia(DrSivaji13Jun2023.docx)

I will therefore ensure that I will see you in Court as a litigant or a defendant subpoenaed according to the provisions of the United Kingdom or the International Criminal Court under the Courts Information Received - Review Letter - OTP-CR-76/22 along with all your comrades, if it is the last thing that I do.

Is that clearly understood?

Dear Shri SHANTANU PANIGRAHI,

I am a little sceptical of your claim that Tolhurst Solicitors, whose reputation as far as I can ascertain is untarnished to date, even considered accepting your brief for a moment, you having discharged and dispensed with the services of the ladies at Olives Solicitors and being notorious for defaming solicitors who engage, or refuse to engage, with you.

It may be that Nameeta, to whom you imply Tolhursts delegated the K.Y.C. admin, devoted insufficient time to profiling you online. However, I will go along with this connection until it is conclusively disproved, say by denial by the firm/L.L.P.

Even a person of your meagre and humble capabilities could observe your interesting appointment cannot be on June 18 at a or the Kent Magistrates Court or any other Court. June 18 is a Sunday, and Commonwealth courts are open Never On A Sunday.

Your accomplice "Cherie Booth" had circulated, to garner support or at least some sympathy for you, the abusive email sent by you at 3 p.m. May 15 to the S.R.A. lady and in which you make the claim about the rendezvous. Is it not surprising apparently your famous barrister and even judge mysteriously has full access to all your correspondence? We cannot speculate about what you think you gain by making statements like Sunday Court which are palpably impossible to be true. But your destructiveness and self-destructiveness ensures you remain an enigma to the M.H.A., which as you well know is not the Moldovan Higher Assembly, but the Ministry of Home Affairs in New Delhi, which to my regret unwisely had approved the visas placed in your travel document 522465108 before it was put on alert.

Even if you meant instead a Kent Police Station, Graves End closest to Tolhursts, for this friendly tete a tete to be venued, even a professional troll agent like you must have observed with alarm that it is most unusual in England for such appointments to be on the Sabbath Day.

If you choose to attend such a friendly semi voluntary meeting, has your Tilda Cherie, no doubt at all yet another of the hundreds of inventions of your overactive infertile schizoid imagination, another example of which is V.O.P. Association, notionally counselled you to take with you a toothbrush and

much absorbent undergarments in anticipation that your gated accommodation for the following weeks and months is not solo, but shared?

You could view this likelihood as great news, because then when the judicial authorities are fooled by your self-contradicting denials, your rapacious greedy cash demands from the Government of India and the British Monarchial State can be supplemented to reach hundreds of crores, and you can retire to molest Cypriots in-stead.

Carry with you to this appointment also, contact details for the Pakistan's HCL, you might wish to avail of their consular services assuming your asylum claim was viewed favourably. Unless that too was one of your fabrications.

HCIL had enough after your past threat to deport the serving H.C., if I correctly remember Shri Mathai, I think it was before Sarna/Sinha, published by you at wordpress.shantanup as a proud article of your oppressive and sinful superiority and bullying intimidatory rule.

Many at M.F.A. also are praying daily that your quarter-century reign of harassing innocent people you encounter, including 41 if not more Britisher Magistrates, D.D.J.s, D.J.s, Mr Justices and Rt. Hon's, innumerable court staff too, many with the fullest support or encouragement of your foreigner spouse who should in-stead have deterred or stopped you, finally but inevitably draws to a dramatic finish, with you unable to conceal yourself behind your concocted mental issues which tricked the British Health Service for decades. By the time that date of November 10 comes, it will appear to you the least of your problems.

Jai Hind, Jail Shuntanus sounds too much like Clearly Business Solutions, no, BC?

Faithfully yours,  
Panesar, Sivaji (Dr.)

Dear Priyansh Rai

I do have a website and in fact several that I am developing in my continuing philanthropic mission of developing knowledge for world conservation. But my studies of Humanology are not completed as yet to help me build my business with your assistance.

For example, if you take some time to examine this reply from Tolhurst Solicitors: Final Resolution (knowledgeassessmentanddissemination.com)  
<https://www.knowledgeassessmentanddissemination.com/post/final-resolution-3> to my application for assistance as linked here: Final Resolution (knowledgeassessmentanddissemination.com)  
<https://www.knowledgeassessmentanddissemination.com/post/final-resolution-2> it would appear to be a deceitfully uncooperative way of conducting business, and this kind of responses I have had with over 70 law firms over the past 26 years. I had clearly said to pkazeem that there was a Claim in progress for £40 million in damages and compensation against the UK Treasury, so why repeat the same message again of contacting the Law Society, especially since I had already written to the Law Society complaining about the manner in which Solicitors operate their businesses to the detriment of deserving applicants as in my case. The issue of Duty Solicitor Scheme in police stations I said to the Solicitors Regulation Authority was a structural problem that required regulatory intervention by

the government, but it did not see it that way so that the dispute rumbles on: see attached:  
ToOlivesSolicitors(Bail18JunMeetingICC13Jun2023.docx

When my studies are completed I will contact you for your prices and developmental facilities that would enhance the scope of my philanthropy: one might be forgiven to think we here in the United Kingdom are a nation of morons in a Police State, and it is contagious towards the rest of humanity.

I hope this is acceptable to you for the time being..

Yours sincerely

To  
Court Manager  
North Kent Magistrates Court  
sitting at Medway Magistrates Court

Dear Sir/Madam

This morning I was alerted by an attempted telephone call made to me that I did not answer as I did not recognise the sender number 0161 464 8477 sent at 10.19 thinking it was a Spam Caller.

When I considered this action from the State authorities in the context of the linked communications to the Court: Automatic Responses from North Kent Magistrates Court (knowledgeassessmentanddissemination.com)

<https://www.knowledgeassessmentanddissemination.com/post/automatic-responses-from-north-kent-magistrates-court>

Emergency Judgment Application submitted: deadline 5 pm for reply from North Kent Magistrates Court (knowledgeassessmentanddissemination.com)

<https://www.knowledgeassessmentanddissemination.com/post/emergency-judgment-application-submitted-deadline-5-pm-for-reply-from-north-kent-magistrates-court>

it was a strange communication. This is also confusing because I have just received a letter (unsigned) from Britton House confirming the arrangement that it says it has made for Dr Emmanuel Oranusi Consultant Psychiatrist to telephone me on Monday 26 June 2023 at 10.45;; which is further machination from the Community Mental Health Team in light of the fact that Issac of Britton House telephoned me last week and insisted to speak to my wife with whom it was agreed that it would be a face-to-face appointment and my wife will accompany me to Britton House as witness and back up the crimes that Kent Police has been guilty of committing against me in conspiracy as you will note from the linked correspondence: Visit to the International Criminal Court to monitor Review Letter - OTP-CR-76/22 (knowledgeassessmentanddissemination.com)

<https://www.knowledgeassessmentanddissemination.com/post/visit-to-the-international-criminal-court-to-monitor-review-letter-otp-cr-76-22>

I am therefore checking on the progress of the Trial Hearing as attached:  
LetterfromNKMCHearingTrial10Nov2023\_2pm.pdf.

Please let me know if there are any outstanding proceedings in this regard today, as I need to know what is to happen about the Bail that I have not received any information on for 18 June 2023, 5 pm.

### **Update.**

As I was half-way through typing this in email , the Mobile phone rang from a Private Number, but I had to complete the sending of the email before even bothering to read the Voicemail that was left. It was from a man at Kent Police saying that it is a call for Rashmi Panigrahi asking her to call back on 01634 number. I read it and deleted it. Will not even tell Rashmi about the call for the madarchods want information from us to screw us.

Mobile Phone rang again from a Privat Number at 12.17. Did not answer it as it obviously are the Kent Police madarchods.

Dear Sir/Madam

In view of lack of information on what is required from me at the bail attendance of 18 June 2023, 5 pm at Medway Police Station, I have asked North Kent Magistrates Court to adjudicate as follows.

Secondly, there were two attempted phone calls from a Private Number at 12.00 noon and 12.16 pm today, the first of which left a Voicemail message from a gentleman from Kent Police asking if my wife Rashmi Panigrahi could call the person: She is out gardening. Her Mobile phone number is 7854 984538 and the landline number is 01634 379604 should this person wish to speak with her.

Dear Sir/Madam

This morning I was alerted by an attempted telephone call made to me that I did not answer as I did not recognise the sender number 0161 464 8477 sent at 10.19 thinking it was a Spam Caller.

When I considered this action from the State authorities in the context of the linked communications to the Court: Automatic Responses from North Kent Magistrates Court (knowledgeassessmentanddissemination.com)  
<https://www.knowledgeassessmentanddissemination.com/post/automatic-responses-from-north-kent-magistrates-court>

Emergency Judgment Application submitted: deadline 5 pm for reply from North Kent Magistrates Court (knowledgeassessmentanddissemination.com)  
<https://www.knowledgeassessmentanddissemination.com/post/emergency-judgment-application-submitted-deadline-5-pm-for-reply-from-north-kent-magistrates-court>

it was a strange communication. This is also confusing because I have just received a letter (unsigned) from Britton House confirming the arrangement that it says it has made for Dr Emmanuel Oranusi Consultant Psychiatrist to telephone me on Monday 26 June 2023 at 10.45;; which is further machination from the Community Mental Health Team in light of the fact that Issac of Britton House telephoned me last week and insisted to speak to my wife with whom it was agreed that it would be a face-to-face appointment and my wife will accompany me to Britton House as witness and back up the crimes that Kent Police has been guilty of committing against me in conspiracy as you will note from the linked correspondence: Visit to the International Criminal Court to monitor Review Letter - OTP-CR-76/22 (knowledgeassessmentanddissemination.com)  
<https://www.knowledgeassessmentanddissemination.com/post/visit-to-the-international-criminal-court-to-monitor-review-letter-otp-cr-76-22>

I am therefore checking on the progress of the Trial Hearing as attached:  
LetterfromNKMCHearingTrial10Nov2023\_2pm.pdf.

Please let me know if there are any outstanding proceedings in this regard today, as I need to know what is to happen about the Bail that I have not received any information on for 18 June 2023, 5 pm.

Thank you for reporting your concerns to us about solicitors.

We are now taking the time to carefully assess these, and we will also look at the regulatory information we may already hold to decide what we need to do next.

We will respond to you within the next 15-20 working days, sooner if we identify urgent problems that need our immediate response.

Are we the right organisation?

We want you to raise your concern with the right people. Sometimes that is us. But other organisations may be best placed to help.

For example, if you have concerns about the professional service you have received from your solicitor, the right organisation to help is the Legal Ombudsman. Unlike us, it has powers to tell your solicitor to put things right, to pay compensation to you or reduce your solicitor's bill if it finds there has been poor service. More information about the Legal Ombudsman and how to make a complaint can be found at <https://www.legalombudsman.org.uk/>

To addressees and their colleagues

In the illumination of the green light given to me by the International Criminal Court (ICC) in Den Haag, Holland, your organisation or you is placed on warning that I intend to arrest and interrogate or obtain confessions from you vermine dogs and female dogs for the 27 relentless years of terrorism and crimes against humanity that I faced as a sadhaka law-abiding Hindu citizen and purnavatar residing in the United Kingdom of morons in a police state, with my only alternative your desired aim of statelessness for me.

All your relevant co-employees meeting my inclusion criteria are liable now to my seizing their persons from your premises, or outside them, or at home, without further notice or warnings, and transporting them to my facilities for further rendering and processing.

If my delegates or I are met with any resistance, we will use any available means to overcome it. Our own personal bodily safety will be paramount. Your not resisting will in itself be insufficient to preclude our continued use of restraints. Police officers and personnel will naturally be classified as most dangerous and comprising flight risk so no efforts will be spared to ensure they are motor-incapacitated.

If you have any specific dietary or supplementary health needs it will remain your responsibility, and not Tiwana's, that these are met for the duration of your incarceration, which could range from a few hours to a few months. You will not be entitled to bailing or visitors.

Is that understood, you behnchod suars?

Dear Dr Panigrahi,

Our Reference OTP-CR-76/22

Thank you for your recent communication.

Our address ICCVisits@icc-cpi.int is strictly for outgoing email only. For some reason your email was also received by otp.informationdesk@icc-cpi.int and was passed on to me.

I reviewed briefly the material you supplied and what I could find online. While I think it probably does not meet our jurisdictional requirements I encourage you to format your desired pleading as an Article 15 claim and submit it at our webportal :  
<https://otplink.icc-cpi.int>

We appreciate this may not be the answer you want, but we cannot give you legal advice, including legal advice relevant to your domicile in England and Wales. What follows are informal suggestions, no more than that, provided without liability.

It is assumed your understanding that you have been granted the power by an appropriate court or courts to execute arrest and other warrants in your jurisdiction. You have copied us in to some material from North and East Kent Courts in England but we are skeptical of their relevance.

However you accomplish your aims, you may and likely will be faced with civil litigation from those you "arrest", and you do not possess sovereign or other immunities.

When "arresting" the individuals you consider responsible for the "quarter century of terrorism" you allege you have suffered, have an independent video recording of the event and follow-up maintained and readily available.

We do not see any immediate issue if those "arrested" are minors, provided you have probable cause. Similarly, under ICC guidelines, with which you must familiarise yourself, you may hold them only for an amount of time proportionate and what a reasonable person would consider the minimum necessary for the interrogations. You must consider whether you have the resources and facilities to meet this requirement, more so if you have many in custody at the same time and you are both detainer and questioner.

Do not use any violence except when strictly necessary in the circumstances to subdue, restrain and remove / transport the suspects to your interrogation facilities. It is likely you would have to justify your individual actions in minute detail before a criminal court, local or international, examining your record in protecting the human rights of your prisoners.

Forced application of drugs including sedatives of those you hold in custody is very likely to constitute assault with battery.

You are apparently envisaging "arresting" approximately two hundred individual suspects, either as natural persons or as those with legal responsibility for non-natural legal persons, and holding them in custody for interrogation on behalf of yourself. While there is no limit to this number, it is and remains

entirely your responsibility to ensure the safety and well-being of those you hold in custody, and no cruelty or unnatural punishments may be used. Your statements about strippings and beatings, especially of female detainees, are unacceptable. That you are deliberately choosing female targets because you may lack the facilities to subdue and prevent the escape of male ones is absolutely unacceptable and be a breach of international criminal law, which is our sole area of expertise.

From what we understand, the individuals you intend to incarcerate include disproportionate numbers of female employees, partners, members, staff or officers of

~~ Kent Police, and three other police services of England'

~~ 80 firms of solicitors or other attorneys

~~ 17 different courts of law in England, civil and criminal

~~ the judiciary in England and Wales

~~ the government or executive in the United Kingdom, including of prosecutorial departments

~~ the civil administration of the United Kingdom

~~ commercial entities and corporations with whom you have had dealings

~~ institutions some of whose members enjoy diplomatic or other immunity etc.

Inclusion criteria used have to be reasonable, proportionate, consistent, objective and defensible, and cannot be on the basis of protected characteristics including gender, age, race, religion, caste, etc.

It is your strict responsibility to keep a record of all those you successfully or otherwise "arrest" and detain, and of the interrogation techniques used.

This is not intended to be a complete list, only a checklist of considerations pending receipt of your Article 15 claim.

I hope these general comments about considerations, made strictly without any liability in any legal jurisdiction, has been of assistance. We recommend you take legal advice, preferably from lawyers not held in custody.

Thank you for reporting your concerns to us about solicitors.  
 We are now taking the time to carefully assess these, and we will also look at the regulatory information we may already hold to decide what we need to do next.

We will respond to you within the next 15-20 working days, sooner if we identify urgent problems that need our immediate response.

If we cannot help with your concerns, we will point you in the right direction.  
 Are we the right organisation?

We want you to raise your concern with the right people. Sometimes that is us. But other organisations may be best placed to help.

For example, if you have concerns about the professional service you have received from your solicitor, the right organisation to help is the Legal Ombudsman. Unlike us, it has powers to tell your solicitor to put things right, to pay compensation to you or reduce your solicitor's bill if it finds there has been poor service. More information about the Legal Ombudsman and how to make a complaint can be found at <https://www.legalombudsman.org.uk/>

To addressees and their colleagues

In the illumination of the green light given to me by the International Criminal Court (ICC) in Den Haag, Holland, your organisation or you is placed on warning that I intend to arrest and interrogate or obtain confessions from you vermine dogs and female dogs for the 27 relentless years of terrorism and crimes against humanity that I faced as a sadhaka law-abiding Hindu citizen and purnavator residing in the United Kingdom of morons in a police state, with my only alternative your desired aim of statelessness for me.

All your relevant co-employees meeting my inclusion criteria are liable now to my seizing their persons from your premises, or outside them, or at home, without further notice or warnings, and transporting them to my facilities for further rendering and processing.

If my delegates or I are met with any resistance, we will use any available means to overcome it. Our own personal bodily safety will be paramount. Your not resisting will in itself be insufficient to preclude our continued use of restraints. Police officers and personnel will naturally be classified as most dangerous and comprising flight risk so no efforts will be spared to ensure they are motor-incapacitated.

If you have any specific dietary or supplementary health needs it will remain your responsibility, and not Tiwana's, that these are met for the duration of your incarceration, which could range from a few hours to a few months. You will not be entitled to bailing or visitors.

Is that understood, you jaanbhosadiwale madarchods? I am writing this while under hypnosis administered by my holistic doctor Jill Jessons and her illegitimate bastard son.

Yours sincerely

Dear Dr Panigrahi,

Thank you for your recent communication.

Our address ICCVisits@icc-cpi.int is strictly for outgoing email only. For some reason your email was also received by otp.informationdesk@icc-cpi.int and was passed on to me.

I reviewed briefly the material you supplied and what I could find online. While I think it probably does not meet our jurisdictional requirements I encourage you to format your desired pleading as an Article 15 claim and submit it at our webportal : <https://otplink.icc-cpi.int>

We appreciate this may not be the answer you want, but we cannot give you legal advice, including legal advice relevant to your domicile in England and Wales. What follows are informal suggestions, no more than that, provided without liability.

It is assumed your understanding that you have been granted the power by an appropriate court or courts to execute arrest and other warrants in your jurisdiction. You have copied us in to some material from North and East Kent Courts in England but we are skeptical of their relevance.

However you accomplish your aims, you may and likely will be faced with civil litigation from those you "arrest", and you do not possess sovereign or other immunities.

When "arresting" the individuals you consider responsible for the "quarter century of terrorism" you allege you have suffered, have an independent video recording of the event and follow-up maintained and readily available.

We do not see any immediate issue if those "arrested" are minors, provided you have probable cause. Similarly, under ICC guidelines, with which you must familiarise yourself, you may hold them only for an amount of time proportionate and what a reasonable person would consider the minimum necessary for the interrogations. You must consider whether you have the resources and facilities to meet this requirement, more so if you have many in custody at the same time and you are both detainer and questioner.

Do not use any violence except when strictly necessary in the circumstances to subdue, restrain and remove / transport the suspects to your interrogation facilities. It is likely you would have to justify your individual actions in minute detail before a criminal court, local or international, examining your record in protecting the human rights of your prisoners.

Forced application of drugs including sedatives of those you hold in custody is very likely to constitute assault with battery.

You are apparently envisaging "arresting" approximately two hundred individual suspects, either as natural persons or as those with legal responsibility for non-natural legal persons, and holding them in custody for interrogation on behalf of yourself. While there is no limit to this number, it is and remains entirely your responsibility to ensure the safety and well-being of those you hold in custody, and no cruelty or unnatural punishments may be used. Your statements about stripings and beatings, especially of female detainees, are unacceptable. That you are deliberately choosing female targets because you may lack the facilities to subdue and prevent the escape of male ones is absolutely unacceptable and be a breach of international criminal law, which is our sole area of expertise.

From what we understand, the individuals you intend to incarcerate include disproportionate numbers of female employees, partners, members, staff or officers of

~~ Kent Police, and three other police services of England'

~~ 80 firms of solicitors or other attorneys

~~ 17 different courts of law in England, civil and criminal

~~ the judiciary in England and Wales  
 ~~ the government or executive in the United Kingdom, including  
 of prosecutorial departments  
 ~~ the civil administration of the United Kingdom  
 ~~ commercial entities and corporations with whom you have had  
 dealings  
 ~~ institutions some of whose members enjoy diplomatic or other  
 immunity  
 etc.

Inclusion criteria used have to be reasonable, proportionate, consistent, objective and defensible, and cannot be on the basis of protected characteristics including gender, age, race, religion, etc.

It is your strict responsibility to keep a record of all those you successfully or otherwise "arrest" and detain, and of the interrogation techniques used.

This is not intended to be a complete list, only a checklist of considerations pending receipt of your Article 15 claim.

I hope these general comments about considerations, made strictly without any liability in any legal jurisdiction, has been of assistance. We recommend you take legal advice, preferably from lawyers not held in custody.

**Update:**

At 11.50 Mobile Phone rang from a 01634 number that I answered. It was Issac from Britton House. The line was very faint so I asked him to ring again. He rang on the Landline that I answered. He said he was just checking to see how I was. I said I am feeling much better now. I have had a lot of correspondence to deal with. I am bailed to appear in Medway Police Station on 18 June 2023 that I am going to go with my wife. It is about allegations of harassment and malicious communications. He asked if I was going for the appointment of 26 June 2023. I said Yes, it is at 10.45, I got the letter. But there was a query When you spoke to us the last time it was agreed that it will be a face-to-face meeting at Britton House, but the letter says that it is a telephone interview. He said the Administrators sent the letter. The appointment is with Dr Emmanuel Oranusi. It will save you the trouble of coming to Britton House. OK I am fine with the telephone appointment. Then I asked him if I could have a Care Plan that I have not had for a very long time. I do not know what my present diagnosis is. I know I am a mental patient because I take mental health medications. Based on the interviews you have done on me since 20 April 2023 if you could let me have a written update if someone asks me for information. I know I am paranoid schizophrenic and persistently delusional from all the writing of emails that I do but I need confirmation or otherwise effectively. He said that Britton House will be able to tell them that you have mental illness. You can speak to the Consultant Psychiatrist on 26 June and get a Care Plan update with the diagnosis confirmed effectively. Ok I said. The call ended.

Dear Shantanu,

Sorry for the delay in getting back to you, I have been away on annual leave.

Having considered the email sent to myself via trac on the 5th June 2023 at 13:33 and the email below, we are not able to offer you another interview as you did not meet the required threshold for appointment. Your interview was conducted by two trained, and experienced assessors and was moderated by an independent person whose scores were in line with the assessors scoring.

During the interview, we did not get specific examples where you met the competency for example you were asked the following question for the communication section of the interview.

Can you give us an example of a time you have needed to adapt your communication over the phone, in order to get your message across clearly. How did you adapt your communication to make sure it was understood?

The example given detailed working with project managers, ensuring that interpreters were on hand and communication was clear. This provided no evidence of how you adapted your communication to ensure that the message was understood, only the use of interpreters and clear communication. You did not detail how you ensured the message was understood.

Despite probing we were unable to gain tangible evidence that you were able to meet the required competency for the role of a Call Handler. You will be eligible to reapply in six months and we will welcome a new application from you at that time.

Regarding, other suitable employment available at SECamb you will need to apply via our website <https://careers.secamb.nhs.uk/all-vacancies/>. As each position within SECamb has differing requirements, the assessment process will differ, so we are unable to use your existing application against any other vacancy you wish to apply for.

Dear Shirley Pennucci

I had requested Shannon Bowie-Wooler for a reconsideration of the negative outcome of my application-interview for the post of 111 Health Advisor but have not received any feedback, In this regard, kindly note the contents of the link that I posted last night:  
<https://www.knowledgeassessmentanddissemination.com/forum/general-discussion/proceedings-extract-from-revolution-unfolding-in-the-united-kingdom>

Just to recap, I like to think that I am jack of all trades and aspire to be master of all. After the career at the Natural Resources Institute I worked in ordinary jobs like in Petrol Stations and supermarkets to learn about the Retail trade and the business environment. I do not consider any job as being too lowly or menial as they teach you how to get on with all that life can throw at you and you come out stronger. I also therefore studied law by actively assessing what is needed to be part of the society and strictly within the provisions of the State of the United Kingdom. First-hand experience cannot be beaten, as it is far superior to studying books which are useful but it does not tell you about humanity and social interactions whilst trying to better oneself and one's family.

One should improve lives, improve the State in the most peaceful manner without protesting, and this is attained by paying attention to details. That is how I have always been.

Mental Health is crucial to be able to cope with life's stresses. This is why I have had my own mental health assessed and studied it personally by consulting the Samaritans, Consultant Psychiatrists and psychotherapists, the last by paying them for their services. This personal experience will be invaluable in providing advice and support to callers to the NHS 111 Health Advisor Helpline.

I am never bored and I always engage myself in some mental activity and have written memoirs of my experiences so that others can benefit from the lessons that I have learnt. I always had a philanthropic approach to living, especially in my adult life and the employment at the Natural Resources Institute gave me the scope to develop myself through such work. As I mentioned at the interview, my philanthropy is not just specific to human beings although that is a major aspect of it, but as an advaitist in Hindu parlance, it extends to birds, bees, flowers, trees, seas, soils and all of the rest of Nature taking a holistic view of the environment. But if one cannot bring human beings into this frame of mind by gentle arguments and persuasion there is no point because we humans are the only species that devastate the environment towards decimation.

Mentoring newcomers and inexperienced people is very important for an institution like the National Health Service.

I hope you will take this statement into account and offer me any suitable employment if on reconsideration, you find me unsuitable for this role.

Yours sincerely

 Dear Deendyal Sharma

I would like to take advantage of this offer, please now, for the reason that the International Criminal Court did not reply to my request to endorse my arrest warrant against Dr Sivaji Panesar who os seemingly a member of staff of the Indian government although according to the High Commission of India there is some uncertainty: please read the linked proceedings ICC Review Letter - OTP-CR-76/22 (knowledgeassessmentanddissemination.com)  
<https://www.knowledgeassessmentanddissemination.com/post/icc-review-letter-otp-cr-76-22> .

Unfortunately, I have not been able to find a solicitor/lawyer to assist me in finding the whereabouts of this person yet. My authorisation to arrest and hold WPCs, solicitors etc (knowledgeassessmentanddissemination.com)  
<https://www.knowledgeassessmentanddissemination.com/post/my-authorisation-to-arrest-and-hold-wpcs-solicitors-etc> The reason that I need this information was made clear to the Indian Government, as attached: ToSivajiPanesar13Jun2023.docs;  
 ToHighCommindia&CourtLegalbodies(DrSivaji Panesar13Jun2023.docx, and it wanted 48 hours to respond.

When I do find Dr Sivaji Panesar, I will be in a position to be millions of pounds richer so will develop one of the biggest website platforms with your assistance.

I hope you can wait.

Sivaji

You are so very wrong about me: I have checked with Medway Police Station just now and have been told that I should come from the side entrance on the 18 June 2023 5 pm that I am required to under the bail that has been imposed.

I do not know where you got the idea that I have a solicitor who will represent me at the Bail or thereafter if proceedings go to Court. I have not been charged with any offences so far. The Case at North Kent Magistrates Court sitting at Medway Magistrates Court is solely about the 5 October 2023 Speeding Offence and nothing else, but I will be citing mitigating circumstances at the Hearing of 10 November 2023 2 pm namely that of people like you anonymously terrorising me and keeping me embroiled in legal difficulties. If my plea of not guilty is accepted, I will ask the Court to identify all the members of Victims of Panigrahi Association like yourself, Marty Caine, Nitin Bhardwaj, Fritz Wuehler, Cherie who incidentally is not Cherie Booth the former Prime Minister Tony Blair's wife, Bury, Mohamad Bhakt of Pakistan, that will force you all out into the open so that you face due justice in a criminal and civil court.

The Indian High Commission is currently doing all it can to determine how you put yourself forward as a member of staff of the Indian Government as attached ToHighComminIndia&CourtLegalbodies (Dr Sivaji Panesar)13June 2023.docx; FrPublicResponseUnitHighcommindia(DrSivaji13Jun2023.docx)

I will therefore ensure that I will see you in Court as a litigant or a defendant subpoenaed according to the provisions of the United Kingdom or the International Criminal Court under the Courts Information Received - Review Letter - OTP-CR-76/22 along with all your comrades, if it is the last thing that I do.

Is that clearly understood?

Dear Shri SHANTANU PANIGRAHI,

I am a little sceptical of your claim that Tolhurst Solicitors, whose reputation as far as I can ascertain is untarnished to date, even considered accepting your brief for a moment, you having discharged and dispensed with the services of the ladies at Olives Solicitors and being notorious for defaming solicitors who engage, or refuse to engage, with you.

It may be that Nameeta, to whom you imply Tolhursts delegated the K.Y.C. admin, devoted insufficient time to profiling you online. However, I will go along with this connection until it is conclusively disproved, say by denial by the firm/L.L.P.

Even a person of your meagre and humble capabilities could observe your interesting appointment cannot be on June 18 at a or the Kent Magistrates Court or any other Court. June 18 is a Sunday, and Commonwealth courts are open Never On A Sunday.

Your accomplice "Cherie Booth" had circulated, to garner support or at least some sympathy for you, the abusive email sent by you at 3 p.m. May 15 to the S.R.A. lady and in which you make the claim about the rendezvous. Is it not surprising apparently your famous barrister and even judge mysteriously has full access to all your correspondence? We cannot speculate about what you think

you gain by making statements like Sunday Court which are palpably impossible to be true. But your destructiveness and self-destructiveness ensures you remain an enigma to the M.H.A., which as you well know is not the Moldovan Higher Assembly, but the Ministry of Home Affairs in New Delhi, which to my regret unwisely had approved the visas placed in your travel document 522465108 before it was put on alert.

Even if you meant instead a Kent Police Station, Graves End closest to Tolhursts, for this friendly tete a tete to be venued, even a professional troll agent like you must have observed with alarm that it is most unusual in England for such appointments to be on the Sabbath Day.

If you choose to attend such a friendly semi voluntary meeting, has your Tilda Cherie, no doubt at all yet another of the hundreds of inventions of your overactive infertile schizoid imagination, another example of which is V.O.P. Association, notionally counselled you to take with you a toothbrush and much absorbent undergarments in anticipation that your gated accommodation for the following weeks and months is not solo, but shared?

You could view this likelihood as great news, because then when the judicial authorities are fooled by your self-contradicting denials, your rapacious greedy cash demands from the Government of India and the British Monarchial State can be supplemented to reach hundreds of crores, and you can retire to molest Cypriots in-stead.

Carry with you to this appointment also, contact details for the Pakistan's HCL, you might wish to avail of their consular services assuming your asylum claim was viewed favourably. Unless that too was one of your fabrications.

HCIL had enough after your past threat to deport the serving H.C., if I correctly remember Shri Mathai, I think it was before Sarna/Sinha, published by you at wordpress.shantanup as a proud article of your oppressive and sinful superiority and bullying intimidatory rule.

Many at M.F.A. also are praying daily that your quarter-century reign of harassing innocent people you encounter, including 41 if not more Britisher Magistrates, D.D.J.s, D.J.s, Mr Justices and Rt. Hon's, innumerable court staff too, many with the fullest support or encouragement of your foreigner spouse who should in-stead have deterred or stopped you, finally but inevitably draws to a dramatic finish, with you unable to conceal yourself behind your concocted mental issues which tricked the British Health Service for decades. By the time that date of November 10 comes, it will appear to you the least of your problems.

Jai Hind, Jail Shuntanus sounds too much like Clearly Business Solutions, no, BC?

Faithfully yours,  
Panesar, Sivaji (Dr.)

Dear Sir/Madam

Kindly note the communication attached that I have received this morning from Dr Sivaji Panesar: FrSivajiPanesar13Jun2023.docx misrepresenting me and so defaming me and my family by copying the email to Martin Tolhurst and my elder sister in India.

The first time I received an email from Dr Sivaji Panesar was when I was appealing the Orders of Master Eastman on Claim HQ17X01773 at the Queen's Bench Division of the High Court. He had referred me to the Attorney General of the United Kingdom as a vexatious litigant, but so far no such judgment has been received by me, so that all my litigations and private prosecutions taken under that Claim and subsequently under E35YM660 and J00ME572 at the Central London County Court and Medway County Court were legitimate expressions of grievances that I tried to access justice on. Further, an arrest warrant on the Chief Constable of Kent Police at East Kent Magistrates Court was also legitimate as it was acted upon and a judgment delivered.

I have to date done nothing wrong and whilst I accept that Kent Police has got a job to do to identify the miscreants who sent out harassing and malicious emails by hijacking my email accounts, as a law-abiding citizen I am required to attend the Bail Hearing on the 18 June 2023 5 pm, with or without a solicitor to assist me in the proceedings.

This leaves me with the question of who Dr Sivaji Panesar said to be from the Ministry of External Affairs of India is, and despite my writing three years ago when this person surfaced, the High Commission has not responded that it is a genuine person employed by the Government of India and not a troll representing the so-called organisation Victims of Panigrahi Association (VOPA)

Should any one of you be able to identify this person, I would be grateful as I wish to institute legal proceedings against him in a Court of Law in the most appropriate manner.

Yours sincerely

Dear Sirs

Could you give me the background to this email, for I did not send you or the reports section a fresh new complaint; and the matter was resolved with the correspondence as attached: S2 Dr PanigrahiSRAFinalReport.pdf; Dr S P>anigrahi RGC-00010925SolicitorsServiceComplaintReport.pdf. The background to the attached AutoReply from Reports at Solicitors Regulation Authority (FrSolicitorsRegulationAuthorityReports15Jan2023.docx, is so unclear as to be very fishy, Sir. I was under the impression that the Centre for Effective Dispute Resolution is dealing with the matter now, as linked here: Centre for Effective Dispute Resolution approached (knowledgeassessmentanddissemination.com)  
<https://www.knowledgeassessmentanddissemination.com/post/centre-for-effective-dispute-resolution-approached> ?

I would be grateful for an immediate clarification of the uptodate issues for reasons given in the attached:ToDeendayalSharmacccIndianHighCommissionElizaCallaghanEMBSolicitors(SEOPackages)15Jun2023.docx.

5 June 2023

Dear Dr Panigrahi

I write further to my email of 25 May 2023 to provide my response to your service complaint.

You made your service complaint in your email of 18 May 2023, this was in response to Rachel Gwilt's email to you of 15 May 2023, explaining we would be taking no further action in respect of your report dated 1 May 2023. Ms Gwilt was the Investigation Officer (IO) who investigated and responded to your report.

I would explain that as a Complaints Officer at the SRA my role is to review complaints we receive regarding our service. My role therefore differs to that of an IO as it is not my role to investigate the reports made to us. This means I will not be duplicating Ms Gwilt's assessment of your complaint; I will be considering whether the assessment conducted by Ms Gwilt was reasonable. However, if my consideration of your service complaint identifies any significant failings in that assessment, I can refer the matter back for further consideration.

Background

You were supported at a police interview by Olives Solicitors Limited (the firm). After

becoming dissatisfied with the service provided by the firm, you submitted a complaint to the SRA regarding the firm's conduct.

Thank you for reporting your concerns to us. Having reviewed our file, I have not identified any significant failings with Ms Gwilt's assessment of your report. We do recognise that professional standards are very important for solicitors, however based on the information we have carefully considered, we have not identified a breach of our rules by the firm. This means we will not be taking any further action. I have set out my reasons for this below.

Sensitivity: General

#### Service Complaint

In your email dated 18 May 2023 you explain that you are unhappy with our response to your report and that you wish to raise a service complaint. In a later email dated 25 May 2023 you state that Ms Gwilt did not adhere to the due process of handling your complaint. You say that Ms Gwilt had sinister motives against you, as exemplified by falsely accusing you of having sent her an email that had sexual connotations. You say the email was sent by MI5.

#### Our response to your Service Complaint

In considering your service complaint I have reviewed all the information on our file and note the circumstances which prompted you to make your report to us.

I can see that Ms Gwilt explained in her email of 15 May 2023 why we were not considering your report further at that time. In summary, it was because the complaints made by you about the firm and their conduct to date did not raise any additional serious regulatory concerns that we needed to consider further.

Ms Gwilt explained that we would be taking no further action regarding your report. In respect of the firm and their representation, Ms Gwilt acknowledged that you had reported your concerns to the Legal Ombudsman (LeO) and that she was confident this was the appropriate organisation to which to direct your concerns.

In respect of the other firms you say have represented you, Ms Gwilt stated that we cannot assess this further as we have not identified evidence to support your allegations. Ms Gwilt wrote to you on 19 May 2023, explaining that she considered the comments of a sexual nature made in your email of 17 May 2023 at 15.48pm, inappropriate. Ms Gwilt noted that if you send any further unacceptable communication, we may need to restrict your contact with the SRA.

I have carefully reviewed all the information on our file. I have not identified any significant failings in Ms Gwilt's response to your report. Ms Gwilt has explained that LeO is the appropriate organisation to review service concerns and that we cannot assess the other four firms without evidence to support the allegations. In respect of your comments that MI5 sent the inappropriate email, we have not identified that MI5 was involved, therefore Ms Gwilt's response to your email was reasonable. I have not identified evidence that Ms Gwilt had sinister motives against you, or that she did not adhere to the due process of handling your complaint.

I understand your disappointment that your report was not investigated further. I am sorry I cannot support your assertion that the firm has breached our Standards and Principles.

Whilst I appreciate you may continue to be unhappy about our response to your report, I hope you feel your dissatisfaction with our service has been adequately addressed in this letter. Should you not feel it has been, please refer to the paragraphs below for details of what to do next.

Dear Shannon

I know that you are not minded to let me back into the employment field, but your response leaves a bitter taste in my mouth:

As to **Can you give us an example of a time you have needed to adapt your communication over the phone, in order to get your message across clearly. How did you adapt your communication to make sure it was understood?** the answer is that I am a good listener and empathetically delve into the problem that is being raised, having all the facts that I have from prior investigation of similar issues, and responding as I said to you at the interview by providing the most accurate information. I have always been a natural in this kind of communication skills and take pride in providing customer satisfaction whether face-to-face or over Zoom or electronic forms of contacts. I have had 6-7 hourly Zoom Sessions with a psychotherapist where I had to listen and respond in that sincere and cooperative manner.

Yours sincerely

Dear Shantanu,

Sorry for the delay in getting back to you, I have been away on annual leave.

Having considered the email sent to myself via trac on the 5th June 2023 at 13:33 and the email below, we are not able to offer you another interview as you did not meet the required threshold for appointment. Your interview was conducted by two trained, and experienced assessors and was moderated by an independent person whose scores were in line with the assessors scoring.

During the interview, we did not get specific examples where you met the competency for example you were asked the following question for the communication section of the interview.

Can you give us an example of a time you have needed to adapt your communication over the phone, in order to get your message across clearly. How did you adapt your communication to make sure it was understood?

The example given detailed working with project managers, ensuring that interpreters were on hand and communication was clear. This provided no evidence of how you adapted your communication to ensure that the message was understood, only the use of interpreters and clear communication. You did not detail how you ensured the message was understood.

Despite probing we were unable to gain tangible evidence that you were able to meet the required competency for the role of a Call Handler. You will be eligible to reapply in six months and we will welcome a new application from you at that time.

Regarding, other suitable employment available at SECamb you will need to apply via our website <https://careers.secamb.nhs.uk/all-vacancies/>. As each position within SECamb has differing requirements, the assessment process will differ, so we are unable to use your existing application against any other vacancy you wish to apply for.

Dear Shirley Pennucci

I had requested Shannon Bowie-Wooler for a reconsideration of the negative outcome of my application-interview for the post of 111 Health Advisor but have not received any feedback, In this regard, kindly note the contents of the link that I posted last night:  
<https://www.knowledgeassessmentanddissemination.com/forum/general-discussion/proceedings-extract-from-revolution-unfolding-in-the-united-kingdom>

Just to recap, I like to think that I am jack of all trades and aspire to be master of all. After the career at the Natural Resources Institute I worked in ordinary jobs like in Petrol Stations and supermarkets to learn about the Retail trade and the business environment. I do not consider any job as being too lowly or menial as they teach you how to get on with all that life can throw at you and you come out stronger. I also therefore studied law by actively assessing what is needed to be part of the society and strictly within the provisions of the State of the United Kingdom. First-hand experience cannot be beaten, as it is far superior to studying books which are useful but it does not tell you about humanity and social interactions whilst trying to better oneself and one's family.

One should improve lives, improve the State in the most peaceful manner without protesting, and this is attained by paying attention to details. That is how I have always been.

Mental Health is crucial to be able to cope with life's stresses. This is why I have had my own mental health assessed and studied it personally by consulting the Samaritans, Consultant Psychiatrists and psychotherapists, the last by paying them for their services. This personal experience will be invaluable in providing advice and support to callers to the NHS 111 Health Advisor Helpline.

I am never bored and I always engage myself in some mental activity and have written memoirs of my experiences so that others can benefit from the lessons that I have learnt. I always had a philanthropic approach to living, especially in my adult life and the employment at the Natural Resources Institute gave me the scope to develop myself through such work. As I mentioned at the interview, my philanthropy is not just specific to human beings although that is a major aspect of it, but as an advaitist in Hindu parlance, it extends to birds, bees, flowers, trees, seas, soils and all of the rest of Nature taking a holistic view of the environment. But if one cannot bring human beings into this frame of mind by gentle arguments and persuasion there is no point because we humans are the only species that devastate the environment towards decimation.

Mentoring newcomers and inexperienced people is very important for an institution like the National Health Service.

I hope you will take this statement into account and offer me any suitable employment if on reconsideration, you find me unsuitable for this role.

Yours sincerely

Independent Complaints Review Service  
for the Solicitor's Regulation Authority (SRA) - Enquiry

Good morning,

Thank you for your email and enquiry to the Independent Complaints Review Scheme.

Please note the following for the stages of the complaints process:

Stage 1 requires you to make a formal complaint, where you would receive a response from the unit where the complaint arose.

Stage 2 will occur if you are unhappy with the Stage 1 response. Your complaint will then be referred to the SRA's central Complaints Team.

The SRA central Complaints Team must write to you to confirm that you have exhausted their internal complaints procedure and that Stage 2 has been completed, before you would be able to make your application to use our service.

Stage 3 is the Independent Complaints Review.

As part of the process, we have to contact the SRA to get confirmation that you have completed Stages 1 and 2. Please note this can take upto 5 working days, once we receive their response, we will contact you to advise of the next steps.

In the meantime please review our Guidance Notes which I have attached to this email and are also available to view on our website at: <https://www.cedr.com/consumer/solicitors/>

We hope this is of assistance and we will be in contact shortly.

Dear Sir/Madam

I disagree with this report, you so need to start afresh and not so much concentrate on producing a report for my consumption or for the Court's consumption but for the Public Enquiry: PUBLIC

ENQUIRY PROCESS COMMENCED: IOPC Reference - 2022/173746

([knowledgeassessmentanddissemination.com](https://www.knowledgeassessmentanddissemination.com))

<https://www.knowledgeassessmentanddissemination.com/post/public-enquiry-process-commenced-iopc-reference-2022-173746>

The entire report is a whitewash cover-up of State-engineered Hate crime against me, a law-abiding citizen for being a Republican of sorts in that I think the Monarch should be subjected to a referendum for continuing as Head of State once every 15 years. So the State has victimised, terrorised, persecuted, and obstructed justice with me a second class citizen. They tried everything, stuck me in a mental hospital twice, tried to make me stateless, and impoverished me with only pension to live on with no scope for employment and when I stayed put knowing that they could not take away my British passport according to international conventions so that I am free to go on holidays and return back to the United Kingdom with my occupational pension soon to be supplemented with State pension in August, they Cyber attacked me with 500 criminal anonymous emails to me and my family both here and in India to try and destroy our lives mentally and physically. So the cyber-attacks were not trolls, Victims of Panigrahi Association (VOA) does not exist but was concocted by the Security Services secretly to send

malicious emails from my email account as a pretext to getting Kent Police to arrest me on 4 occasions and a 5th one that was coerced invitation. to charge me with offences with the complicity of North Kent Magistrates Court especially. All my protestations in issuing litigation against the Prime Minister, the University of Greenwich, taking the matter to the International Criminal Court came to nothing, such is the power of the State. But I survived. There is no resolution: A Republican is an outcast of the society in the United Kingdom.

Please do not reply to this email. This statement is just for the record.

Independent Complaints Review Service for the Solicitors Regulation Authority

Application form

Please read this carefully before completing the application form

The role of the Independent Complaints Review Service for the Solicitors Regulation Authority (SRA) is to review the way in which the SRA has responded to complaints made by any member of the public who has been affected by the actions or decisions of the SRA, provided that the complainant has first exhausted the SRA's internal complaints procedure.

The Service can review whether: the investigation was thorough and fair, that all relevant facts were taken into account, that the conclusions reached (in respect of complaints about the service provided by the SRA) were reasonable and properly explained; and that the investigation was handled efficiently and without unnecessary delay.

The Service is independent of the SRA and whilst it cannot overturn any regulatory judgements or decisions made by the SRA, it may offer an independent view on complaints and provide recommendations, advice and guidance to the SRA in relation to specific complaints and more generally to help it to achieve best practice in complaints handling procedures. The SRA does not have to comply with the reviewers' recommendations but, if it does not comply, it must provide its reasons for not doing so.

Independent Complaints Review Service for the

Solicitors Regulation Authority (SRA)

Guidance Note for Consumers

The Independent Complaints Review Service (ICRS), operated by CEDR Services, forms part of the Solicitors Regulation Authority (SRA's) approach to handling complaints about the SRA's work. We also provide independent oversight of the way that the SRA carries out its complaints handling functions – we do this by conducting an independent audit of SRA's complaints handling.

The Complaints Review Service is solely for complaints against the (SRA). If you are looking to further a complaint about a particular Solicitor / Firm, the service would not be suitable and we will not assess your complaint.

To use the service, you must first exhaust the SRA's internal two stage complaints procedure. Should you remain unhappy after the second stage, and would like to complain about the SRA; you need to come within 20 working days of the date of their response letter.

For those cases that the Independent Complaints Reviewer decides are appropriate for review, he or she will conduct a review of the papers to consider whether:

- The investigation was thorough and fair
- All the relevant facts were taken into account
- The conclusions reached (in respect of complaints about the service provided by the SRA) were reasonable and properly explained; and
- The investigation was handled efficiently, without unnecessary delay.

## Process

To use the service, you must first exhaust the SRA's internal two stage complaints procedure. Should you remain unhappy after the second stage, and would like to complain about the SRA; you need to come to CEDR within 20 working days of the date of their response letter.

Once we receive all the information from yourself, it is sent to the SRA, with responses sent directly to the ICR, who will issue a final written response within a further 25 working days. Please note, that in some instances, the response may not be available until after 30 working days.

Once a final written response is published, the matter is closed with no appeals or reviews under any circumstances. The ICR does not speak to either party and their response is provided in writing only.

## Recommendations

Where a complaint has been upheld or partially upheld by the Independent Complaints Reviewer, they will provide an explanation for any poor service and may require the SRA to provide one or more of the following remedies:

- An apology
- Appropriate action to rectify the situation for the complainant, such as an extension of time to respond to a deadline
- Appropriate action to improve the SRA's practices or procedures
- An ex-gratia payment made in line with SRA's special payments guidance.

\* Please note that the SRA are able to accept or reject any and all recommendations made by the ICR and we will not be able to intervene.

## Complaints we cannot deal with

This service is not suitable for the following:

- Complaints that have not completed the SRA's two stage complaints procedure
- Complaints against anyone other than the SRA
- Complaints deemed to be out of scope by the ICRS.
- Please note, that CEDR will remain impartial throughout and can only give advice on the application process.

Should you require Reasonable Adjustments to be made please advise the team when you first make contact.

Please contact the team on 020 7520 3800 or via email at [complaintsreview@cedr.com](mailto:complaintsreview@cedr.com) if you require further assistance.

Dear Sirs

I have looked through the application form and overview documents and due to its cumbersome processing requirements do not have the time or energy to fill these in.

If the Centre for Effective Dispute Resolution wishes to enter into email correspondence to take this complaint step by step forward bearing in mind the abysmal processing of the Trial Hearing Case at the North Kent Magistrates Court as attached:

ToNorthKentMagistratesCourtccKentPolice(SummaryJudgment)16Jun2023.docx that proves the this Court is acting as Prosecutor, Judge and Jury all in one and is therefore a kangaroo court covering up the allegations that I have made to pursue a witch hunt against me in conspiracy with a secretive Establishment that it is an intrinsic part of, we can take this matter forwards with a view to securing the demand that I have for £40 million in damages and compensation for the 26 years of victimisation, terrorism, persecution for my religious beliefs, and the systematic obstruction of Justice.

Further you are part of the conspiracy as evident from the fact that you ignored or covered up your predecessor's criminality against me in respect of the attached communication:

ToSolicitorsRegulationAuthorityComplaints&ReportscCEDR(AutoReply)15Jun2023.docx.

What do you have to say about this accusation?

Dear Sir/Madam

I disagree with this report, you so need to start afresh and not so much concentrate on producing a report for my consumption or for the Court's consumption but for the Public Enquiry: PUBLIC ENQUIRY PROCESS COMMENCED: IOPC Reference - 2022/173746 (knowledgeassessmentanddissemination.com) The entire report is a whitewash cover-up of State-engineered Hate crime against me, a law-abiding citizen for being a Republican of sorts in that I think the Monarch should be subjected to a referendum for continuing as Head of State once every 15 years. So the State has victimised, terrorised, persecuted, and obstructed justice with me a second class citizen. They tried everything, stuck me in a mental hospital twice, tried to make me stateless, and impoverished me with only pension to live on with no scope for employment and when I stayed put knowing that they could not take away my British passport according to international conventions so that I am free to go on holidays and return back to the United Kingdom with my occupational pension soon to be supplemented with State pension in August, they Cyber attacked me with 500 criminal anonymous emails to me and my family both here and in India to try and destroy our lives mentally and physically. So the cyber-attacks were not trolls, Victims of Panigrahi Association (VOPA) does not exist but was concocted by the Security Services secretly to send malicious emails from my email account as a pretext to getting Kent Police to arrest me on 4 occasions and a 5th one that was coerced invitation. to charge me with offences with the complicity of North Kent Magistrates Court especially. All my protestations in issuing litigation against the Prime Minister, the University of Greenwich, taking the matter to the International Criminal Court came to nothing, such is the power of the State. But I survived. There is no resolution: A Republican is an outcast of the society in the United Kingdom.
